NOTE FOR HANK KNOCHE

On HSC Budget Briefing

Boos says: Chairman Pike's letter is certifying all staffers for compartmented clearances. The letter should be available first thing tomorrow morning. Pike and Boos expect a non-expurgated briefing lasting a couple of hours. They want actual dollar figures and secondly procedures, especially internal and external controls.

Those coming are Boos (?), Roscoe Starek, Ed Roeder and Emily Sheketoff.

The Chairman adopted the old committees rules and procedures but completed them by adding security regulations. Boos will bring a copy when he arrives.

I told Boos the briefing was tentatively on for 1:30 Friday. STATINTL
